*****Participants are encouraged to visit the AAU web site www.aausports.org to obtain their membership.**

******Age divisions are mixed when there are not enough teams. Division I teams play up one year to create more competitive games.**

******These are tournament style games. The clock stops on all whistles. We have competent referees. Some teams use our Saturday Ball to develop their teams. Some of the better teams use it to practice various offensive or defensive elements in a game-like condition. Other elite teams use this as an opportunity to get their bench playing time. Development teams and Elite teams are welcome. We try to match teams up with teams similar to their talent level. This means sometimes disregarding the age guideline. Saturday Ball is provides a fun place for kids to play competitive basketball. We work with teams of various skill levels, doing our best to level the playing field as much as possible.**
